

## Welcome to our family

The Lantern Church is a growing congregation at the heart of the Merley estate committed to being a church 'in the community for the community'.

Our aim is to be a place where people are:

**All Involved** - using our gifts, playing our part in fulfilling God's purposes!

**Being Disciples** - living out our walk with Jesus in real & radical ways!

**Creating Community** - we all long to be a part of a people who can be open, fun & real!

**Doing Evangelism** - showing the love of Jesus to our friends, neighbours & community!

**Encountering Jesus** - what greater aim is there than to spend time worshipping the one who made & loves us!

God has great things in store for us so let's do it!!
